

JOB APPLICATION PACK

JOIN OUR TEAM!

The creative force behind Dewynters for over 30 years, Bob is trusted by producers across the globe to conceptualize iconic key art for hundreds of West End and Broadway visuals and marketing campaigns, designing poster artwork for world-recognized productions, such as: *Oliver!*, *Phantom of the Opera*, *Grease*, *Equus*, *Art* and *School Of Rock*; establishing a new era of modern poster design.

Setting up business under his own name in 2015, Bob wanted to focus on what was most important to him - delivering world class excellence in dynamic visuals. Headed up by Bob, our skilled team of creative artworkers and designers have delivered work to over 100 clients from our Southwark studio.

Our work includes: *My Fair Lady*, *Beauty & The Beast*, *Frozen*, *The Drifters Girl*, *Back to the Future*, *TINA: The Tina Turner Musical*, *Leopoldstadt*, *Mary Poppins*, *Calendar Girls*, *Girl From The North Country*, *ART*, *Cirque du Soleil* and various productions for The National Theatre and The Menier Chocolate Factory. We are proudly a trusted designer for Disney Theatrical, and we are the official designer for Theatre Royal, Bath and Chichester Festival Theatre.

WHO SHOULD APPLY

We are looking for a great creative all-rounder with ideally 5 years + extensive experience in designing and creating theatrical marketing assets across all print, OOH and digital campaign media. We are a small fast-paced studio, so you need to be a great team player with the ability to work to tight deadlines under pressure. A willingness to jump in wherever needed will always be essential! We pride ourselves on upholding an excellent standard of work in all we do so you'll need exacting eye for detail to maintain a high level of work at all times, and a passion for the arts and entertainment sector is a must!

SKILLS REQUIRED

- Full Adobe Creative suite, including extensive knowledge of Photoshop, InDesign and Illustrator
- Strong retouching and image comping skills
- Detailed knowledge in artwork packaging for a variety of complex print, OOH and digital specs, including brochure work and FOH designs
- Additional experience in working with AfterEffects and building HTML is desirable

RESPONSIBILITIES

- Working with asset briefs for multiple clients across a variety of productions, maintaining organised design folders at all times
- Leading on working with approved Key Art designs to create a full asset suite for all print, digital and OOH requirements, to fit an array of layouts and sizes
- Producing print ready artwork files to a variety of complex assets to spec; checking all print proofs
- Opportunity to work creatively on key art concept visuals as required

HOW TO APPLY

Please submit your CV and a covering letter to info@bobkingcreative.com

All appointments are made subject to satisfactory references and proof of right to work in the UK.

Diversity & Equality

We are committed to a workplace culture which embraces diversity and inclusion across its team and welcome applications from individuals and groups who are underrepresented.

"Having left school with few qualifications and been refused opportunities to develop my skills, I know first hand the value and importance of giving everyone an equal chance to gain experience, skills and demonstrate their natural talent wherever possible. It's something I feel very strongly about."

- Bob King, Director & Founder
